What is SMA?

SMA (Spinal Muscular Atrophy) is the number one genetic killer of children under the age of two. SMA is an inherited and often fatal disease that destroys the nerves controlling voluntary muscle movement, which affects crawling, walking, head and neck control, and even swallowing. Two new-born children are affected each day in the United States, approximately 1 in 10,000 live births. One in every 50 people carries the gene that causes SMA, which means there are more than seven million carriers in the United States alone. Currently there is no treatment or cure.

Who is Cure SMA?

Cure SMA is an international nonprofit organization founded in 1984 with the mission to fund a treatment and cure for SMA. FSMA is made up of 34 chapters and more than 105,000 members and supporters, and has funded more than $57 million in leading research programs since its inception.

2nd Annual Cure SMA Flamingo Fun Run

Events.curesma.org/2015Flamingo

Proceeds from the Flamingo Fun Run will benefit: Cure SMA

Cure SMA Flamingo Fun Run

Race Day
Please join us for the 2nd Annual Cure SMA Flamingo Fun Run in honor of Oakley Smith, the vibrant, loveable, five year-old in Grangeville, ID. The Flamingo Fun Run will start at Lions Park in Grangeville, Idaho, at 8:00 a.m.. Wear some pink and join the fun!

Get your team ready or roll solo – you are in for a great day in supporting research, treatment and a cure for SMA.

This is an exciting opportunity for Cure SMA in broadening our outreach to the Grangeville Community.

Fundraise for a Cure
Unable to attend the event on September 26, but still interested in being involved in fighting for a cure? Register online as a fundraiser to create your own personal fundraising page, allowing you to collect donations towards the event!
